Catholic High School Alumni Association NEW Business Directory

Catholic High School Alumni Association is starting a NEW Business Directory for alumni and friends of Catholic High. The new directory is designed to help the alumni and friends establish and develop business relationships with other members of the school.

It gives us the opportunity and comfort of doing business with fellow alumni even if we do not know them personally. This type of networking builds good business and personal relationships, increases fellowship and school support while helping the businesses prosper.

We will promote the directory in the newsletters, websites, and other announcements to remind you to use this new directory. This will give our advertisers an incredible value and make the program a continued success.
